4	"How can I get into the industry?"	Audience member attempts to hijack panel	Non-con-goer: "So... what's going on over there?"	Question in Japanese directed toward a Japanese guest	"Well, ACTUALLY..."
5	Japanglish (mix of English and Weaboo Japanese)	"What was your favorite project?" (directed at a Japanese guest)	Audience question asked just to show off geek cred	Witness someone flipping off Ani-Gamers' Evan Minto	"Who would win, Goku or Superman" (or any variation)

Rules:

- It's Bingo! cross off the ones you find and try to get five in a row!
- Anything in quotes is a specific question or statement that needs to be heard (unless otherwise noted) in order to mark off the square. It doesn't have to be an exact quote, but it should be pretty similar in concept. And no, YOU can't say it.
- If you get BINGO, send a clear picture of your card to otakubingo@anigamers.com, tweet @AniGamers, or post on facebook.com/anigamersblog for acknowledgement on the Ani-Gamers blog!
